

You can claim these refundable tax credits even if you do not have to pay any tax. If they are more than the taxes you have to pay, you may get a refund for the difference.

Complete the calculations that apply to you and **attach a copy** of this form to your paper return.

For more information about these credits, including credit eligibility requirements, go to canada.ca/nl-tax-info.

Physical activity tax credit

If applicable, complete the following table and include all of your family's eligible physical activity expenses.

Do **not** include your receipts but keep them in case you are asked to provide them later.

If you need more space, attach an additional sheet of paper.
