Active families benefit

If your adjusted family income is $60,000 or less, you can claim the active families benefit. Otherwise, enter "0" on line 7.

Notes: If your spouse or common-law partner died at any time during the year, do **not** include their income when you calculate the adjusted family income.
If you are claiming the credit on a deceased person's final return, do **not** include the surviving spouse or common-law partner's income when you calculate the adjusted family income.
